

## **JESUS CALLS US TO MISSIONS!**

**The Biblical Mandate for Missions -** Are you aware and concerned about the subject of missions in your life? Why should we be concerned about the subject of missions in the first place? This is no little question, since the word, "missions" is not in itself a biblical word. The singular form, "mission" comes from the Latin language ("missio, mittere", and means most basically, "the act or an instance of sending" (Webster's 7th New Collegiate Dict.). When it is used with reference to the Christian faith, it refers to **"The sending forth of men with authority to preach or spread the gospel"** (Funk & Wagnalls Standard Dict., International Edition). This is the dictionary meaning which men have assigned to the word "missions". This meaning makes no mention of making disciples, which Bible believing churches believe is very important! Yes, the concept of sending forth individuals to preach the good news of Jesus Christ, is indeed Biblical. **Have you felt this calling? How have you or how are you responding?**
